The need was felt after many requests for scholarship were received from various students. The higher education costs are spiking across the world and there are many bright students who are not able to finish higher education.

Why memorial fund?

What great blessing it can be to remember all our loved ones after they have passed away. The memorial fund keeps the memory, legacy and wishes alive of the person in the form of another student of the community. This is a perpetual blessing for the soul of the departed one.
